MEASURES ADOPTED BY THE NOTIFYING COUNTRY

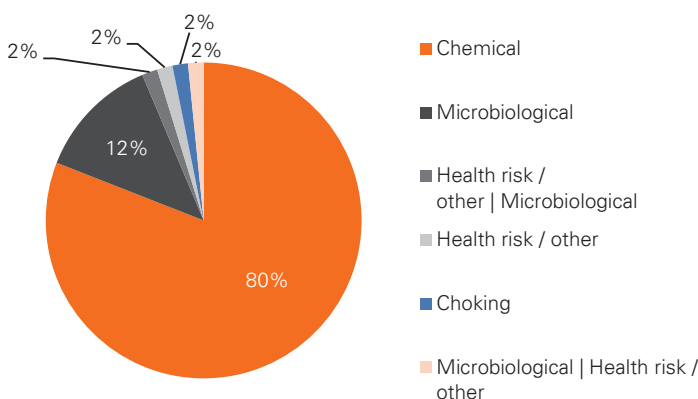

Measures ordered by public authorities: Measures taken by national authorities (e.g. ban on sales, withdrawal of the product from the market) or by the customs authorities (e.g. rejection of import).

Measures taken by economic operators: Measures adopted on a voluntary basis by a producer or distributor, in general without any intervention of Member State authorities. A typical example of a voluntary measure is a recall of the dangerous products from consumers by the distributor or producer.
